WHAT WE CAN DO FOR YOU

Paul Boag's Outdoors offers a variety of hunting educational and training courses in the North East of Victoria (Eildon) on free range, wild Sambar deer living on public land.

We offer one on one, small private groups or large group courses.

The courses are aimed to fast track your learning to becoming a more successful deer hunter.

You will learn the necessary skills to find, track, take, and harvest your very own FREE RANGE, ORGANIC RED MEAT, that takes most hunters years to learn.

Courses are tailored to your individual hunting preference such as bow, rifle, gun dog, hound, as well as your skill and fitness level.

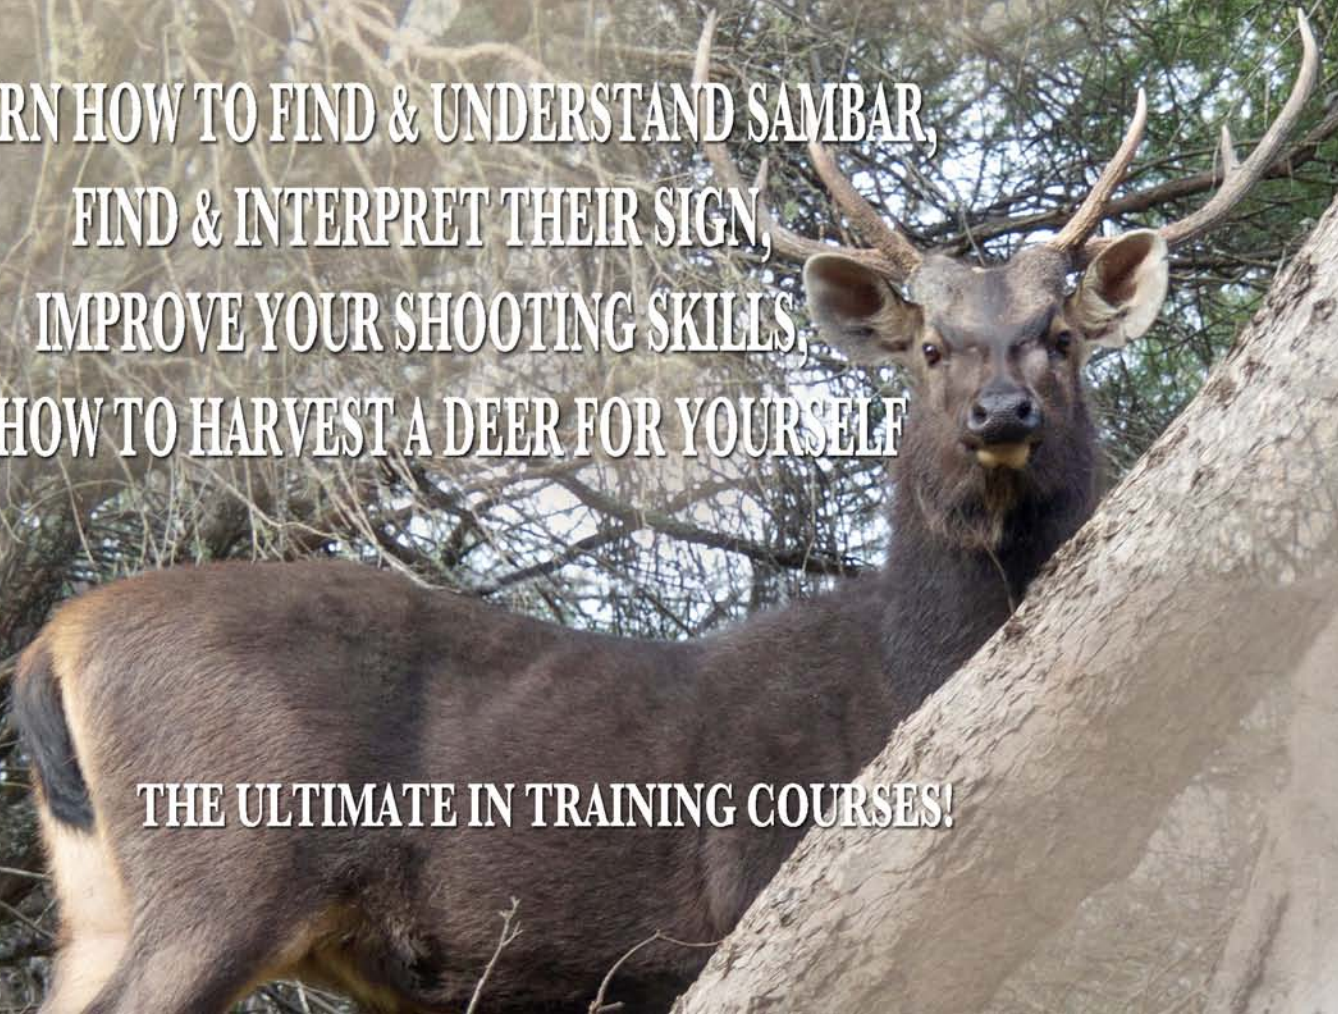

Operates March - November

**2 hrs from

*First 2 days of 'Advanced Ed', Advanced Ed & Training'
'Advanced Ed Plus & Ultimate Ed*

DAY 1 & 2

Day 1 & 2 is all about learning how to find, track & understand Sambar deer & their behaviour, by observing them in their natural habitat.

***These two days are without a firearm.**

Runs from sunrise to sunset, & covers everything from the basics to all the little tips and tricks that take years to learn on your own.

SUBJECTS COVERED

- Bush skills
- Finding
- Tracking
- Sign interpretation
- Equipment choices
- Understanding sambar's behaviour
- The different ways to hunt sambar
- How to plan a hunt
- Shot placement
- What to do after the shot
- Skinning
- Butchering
- Trophy prep
- How to utilise technology
- & much more

Day 1 & 2 approximate time breakdown

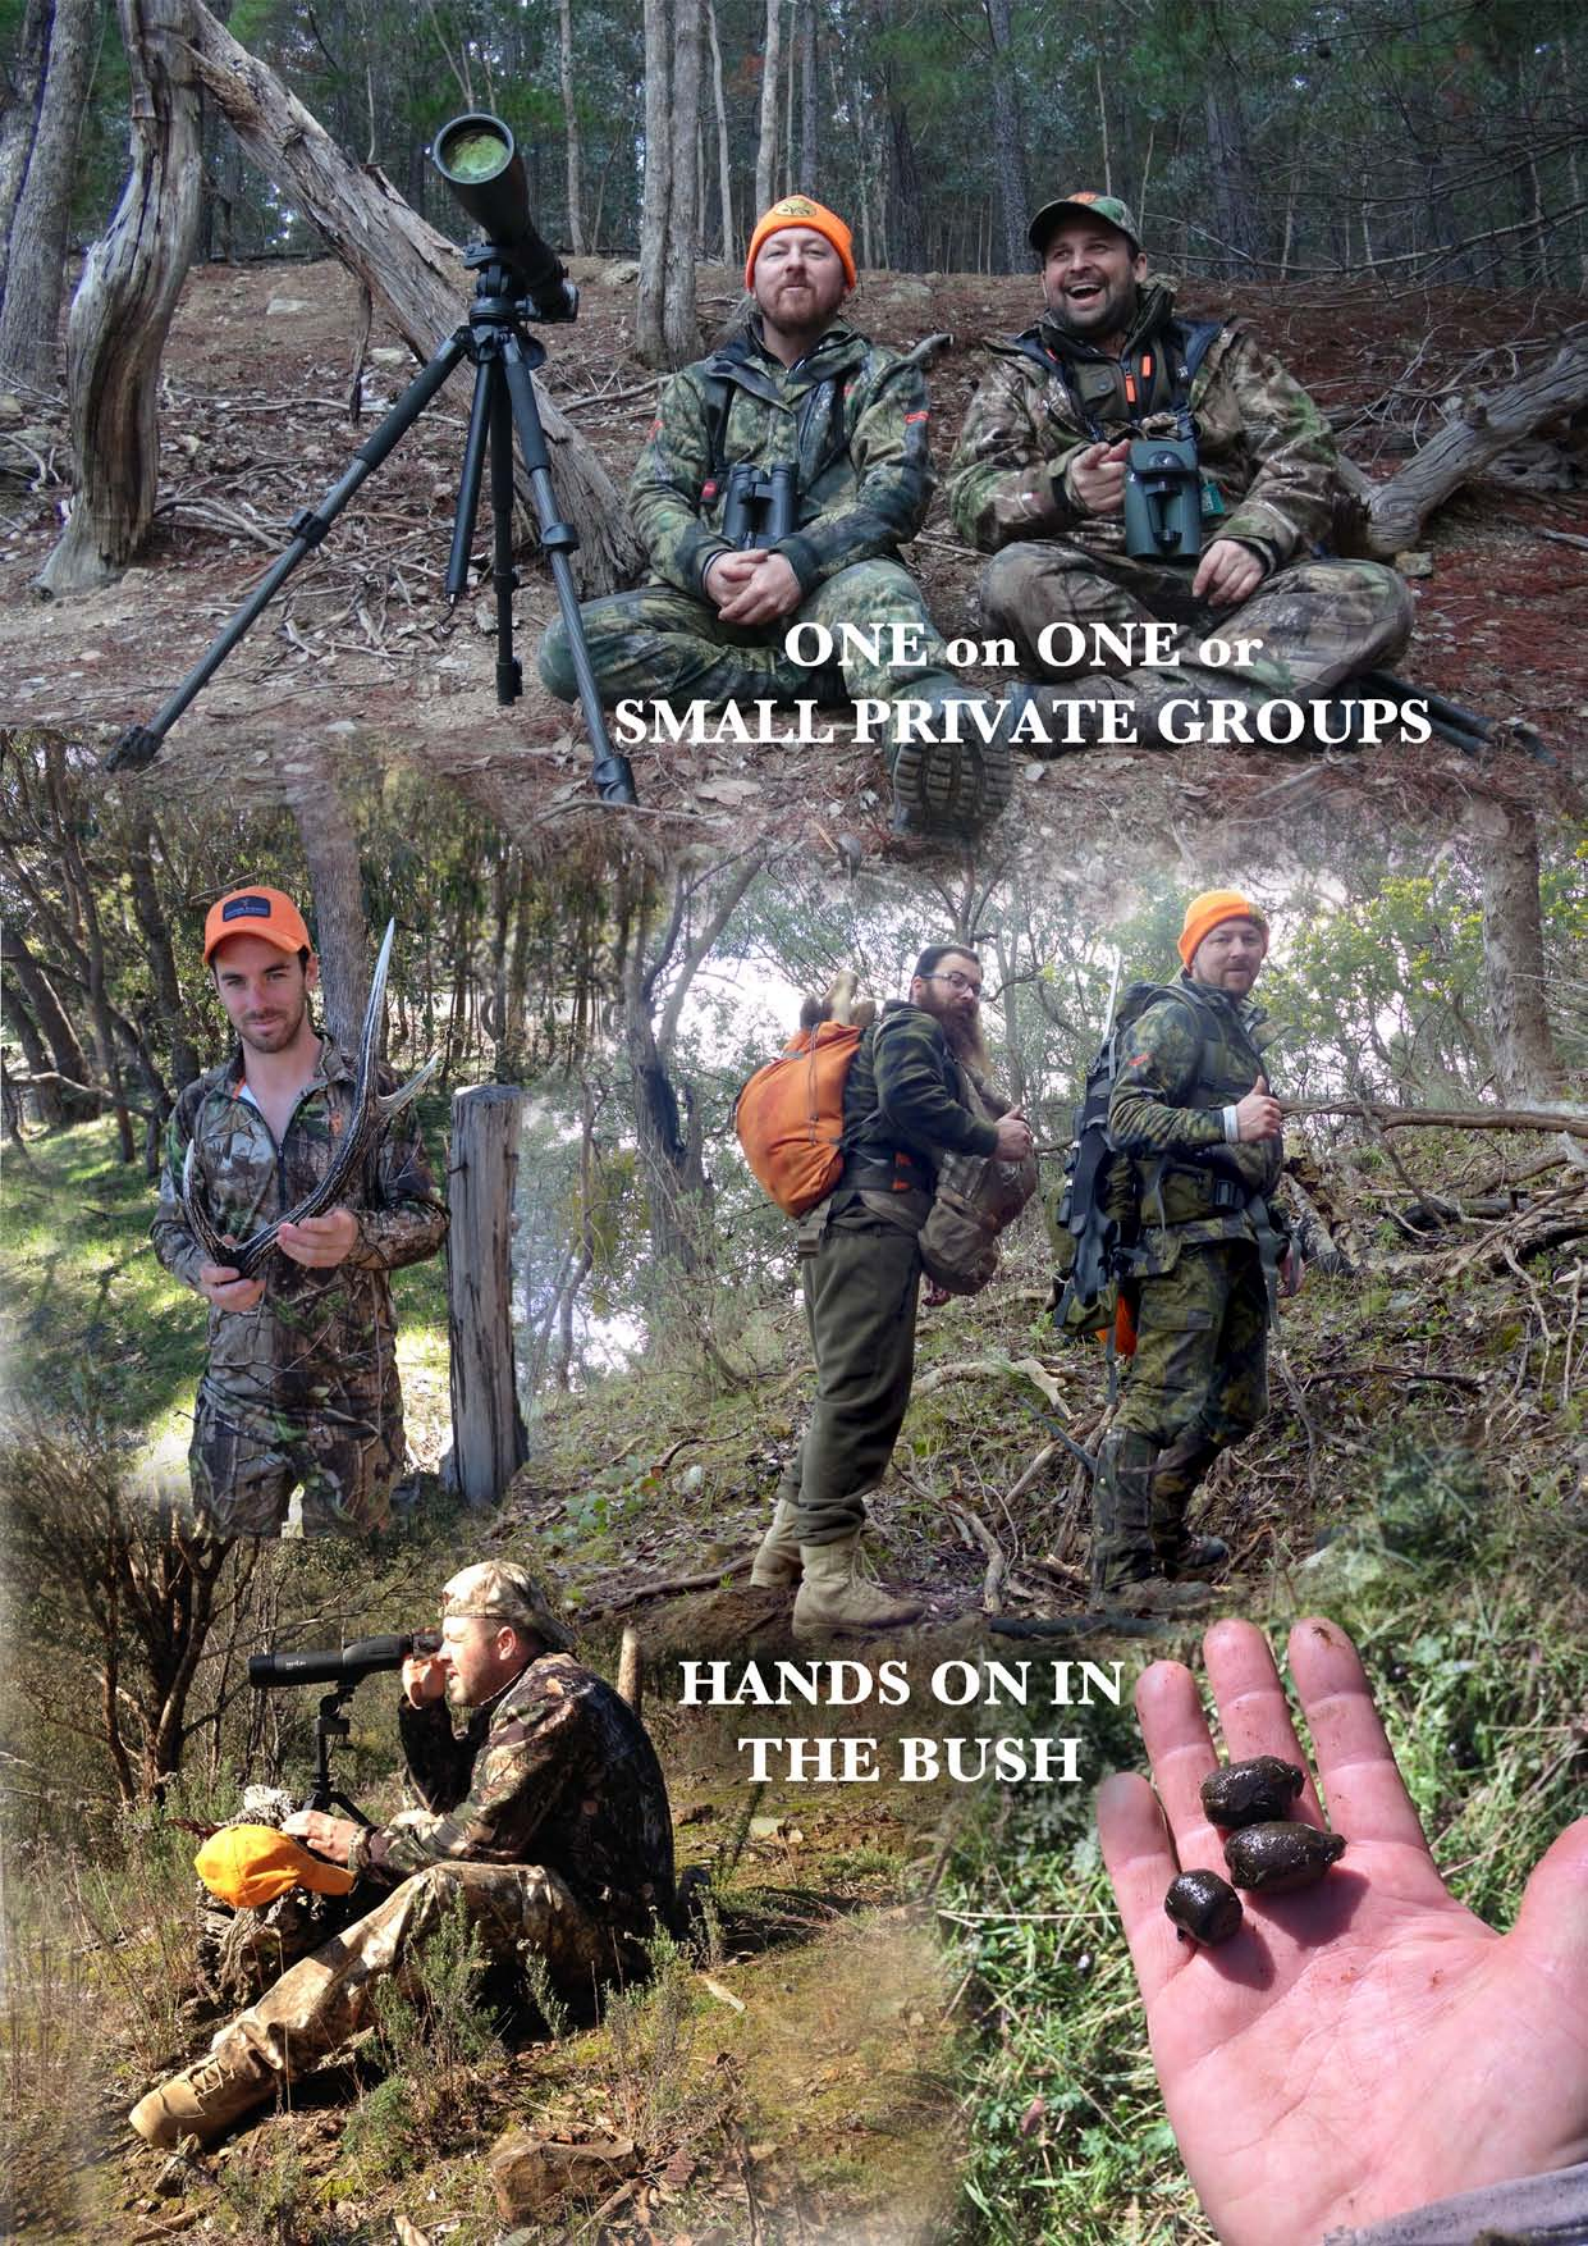

6am ~ We leave the hunting lodge at first light and head out into the bush and look for deer.

10:30am ~ We arrive back at the lodge and spend the middle part of the day going over some theory with the aid of photos and video

12:30pm ~ Lunch break & we have a rest.

2pm ~ Go over some more theory.

3pm ~ We head back out into the bush and stay out there until dark (5:30 - 6:30pm)

**ONE on ONE or
SMALL PRIVATE GROUPS**

**HANDS ON IN
THE BUSH**

DAY 3

SHOT PLACEMENT TRAINING

Included in Advanced ed & training 2.5 & 3, Ultimate ed & Ultimate ed plus on day 3

Improve your shooting skills in a real life hunting scenario, with up hill, down hill and across gully shots on life size targets.

Ranges from 40m to 250m

THE ONLY WAY TO PRACTICE SHOOTING DEER WITHOUT SHOOTING DEER

Day breakdown

Step 1 - Start with 1 hour of theory

Step 2 - We check your firearm is shooting accurately

Step 3 - The course takes 2-3 hours & involves around 2.5km of walking

The course is run on private property.

CLOSEST THING TO THE REAL THING

BUTCHERING

Included in Advanced ed & training 3, & Ultimate ed plus on day 3

A optional add on for day 3

Learn hands on all the necessary skills to make the most of that hard earned prize before you need it.

SKILLS INCLUDED

Field dressing

Best way to carry out your deer

Break down of muscle groups

How to prepare for the table

Trophy caped out

Cape & head preparation

Cooking tips & more...

Take home all the
FREE RANGE, ORGANIC RED MEAT

DAY 4

Ultimate Education

Take everything you have learnt in the last 3 days and put it into practice in the local state forest on a guided hunt with Paul and further your learning experience

Day 4 breakdown

5am ~ The day starts before first light

11am ~ Back at the hunting lodge for a midday break and lunch.

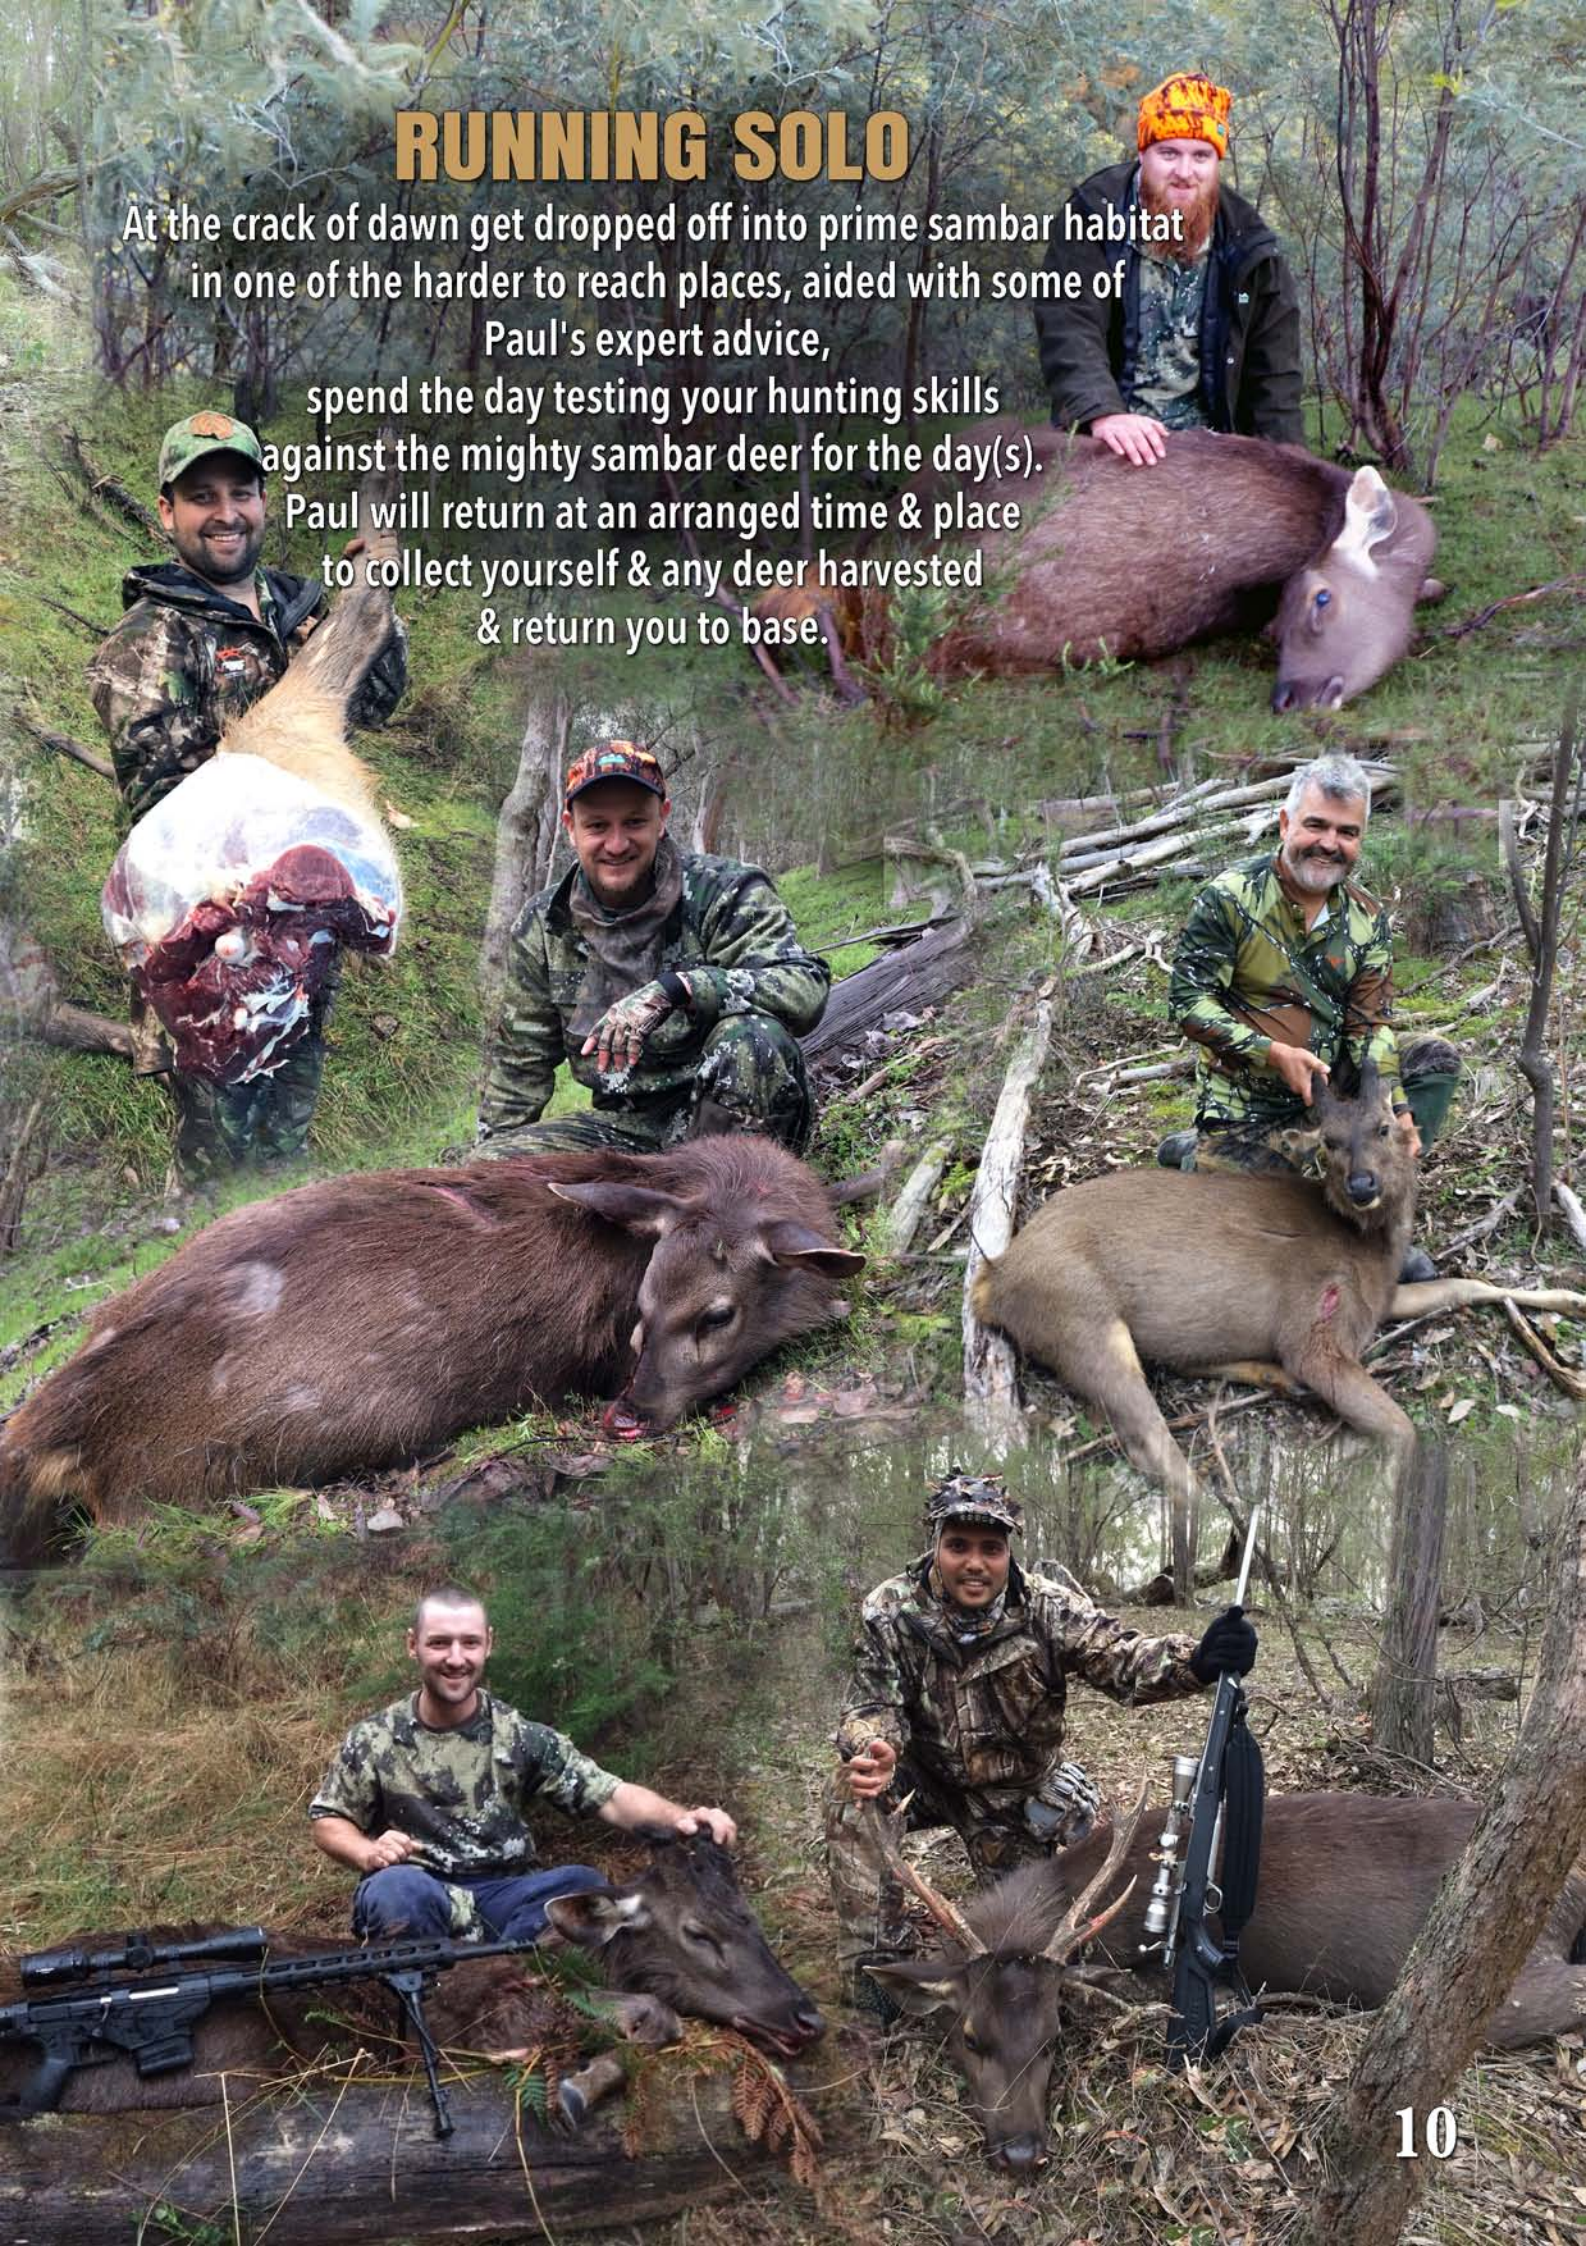

2pm ~ head back out for an afternoon stalk.

* If successful the rest of the day will become meat retrieval & butchering your animal.

* A gun licence and a game licence are required.

RUNNING SOLO

At the crack of dawn get dropped off into prime sambar habitat in one of the harder to reach places, aided with some of Paul's expert advice, spend the day testing your hunting skills against the mighty sambar deer for the day(s). Paul will return at an arranged time & place to collect yourself & any deer harvested & return you to base.

GROUP COURSE

2 Day - large Group Hunters Education Course upto 20 attendees

A alternative option for a more social, learning environment & a chance to meet other like minded people.

SKILLS INCLUDED

Finding, tracking, sign interpretation, equipment choices, understanding sambar's behavior, the different ways to hunt sambar, how to plan a hunt, shot placement, what to do after the shot, skinning, butchering, trophy prep, how to utilize technology

Email: **paulboag@paulboagsoutdoors.com**

WHY WE DO WHAT WE DO

The Boag family dynasty.

Over 100 years of hunting sambar deer in Australia!

Our mission is to pass on the knowledge that Paul has gained, during a lifetime of hunting to others so that they can harvest their own FREE RANGE, ORGANIC RED MEAT! & who in turn can pass it onto their own family and friends. Ensuring our fantastic way of life is kept alive for generations to come.
